

The Constitution and Bylaws of The Proud Boys Philadelphia Chapter

Article I: Purpose, Scope & Governing Law. (Chapter and Member Policies and Modus Operandi.)

Section 1. Purpose:

The purpose of Proud Boys Philadelphia Chapter (the "Fraternity" or "Frat"), shall be to establish, maintain, govern, improve and promote the welfare of a fraternal order to be known as the "Proud Boys" (the "Fraternity"), which shall have for its objects: the mutual benefit and assistance of its members; the binding by closer bonds of its members one to another; the rendition of mutual assistance to its members during life and after their death to their dependents; the extending of our Frat to all who need such assistance; the promotion of western civilization including free speech and the right to bear arms; the promotion of good citizenship; the training and developing of men to become positive role models as husbands, fathers, entrepreneurs, civic leaders and true patriots. We promote marriage and procreation, while still maintaining a solid bond with your brotherhood. Respect a woman's CHOICE to bring up her family as she chooses. It's something to be venerated not to be looked down upon. We also support our troops with care packages, collect and purchase toys for tots, canned food drives, etc. The Proud Boys Philadelphia Chapter finds all forms of ethnic nationalism, identity politics, racism and hate contrary to Proud Boy and American values. Ethnic nationalism runs counter to the spirit of Western Chauvinism. Proud Boys Philadelphia Chapter believes in individual merit and Civic Patriotism. We reject collectivism in any form, be it socialist class identity or racial identarian world views. In keeping with

our values, Proud Boys Philadelphia Chapter has no association and will never have any association with Marxist, Fascist, identarian, Alt-right or ethnic nationalist groups. Prospects who are found to be members of Marxist, racially identarian, or ethnic nationalist groups are barred from membership in Proud Boys Philadelphia Chapter. Members of Proud Boys Philadelphia Chapter found to be members of Marxist or identarian organizations or espousing Marxist, identarian, ethnic nationalist, racist or hateful views will be stripped of membership for all time and disavowed.

Section 2. Composition of fraternity

(A) The Fraternity shall consist of the Philadelphia Region and surrounding counties, an active chapter established and existing from time to time collaborating throughout the North Eastern Region area and the members and probationers of the Fraternity. No other Frat, association or other body shall be deemed to be a constituent part of this Fraternity.

(B) References in these bylaws to “brothers” shall, unless otherwise specified or unless the context clearly requires otherwise, mean persons that have completed the second degree of initiation. The term “members” shall mean all brothers and probationers of the fraternity.

Section 3. Use of name:

Except for the entities and individuals identified in the first sentence of **Section 2** of this Article **(A)**, no entity or individual shall have the right to use the name “Proud Boys”, or any insignia of the Fraternity, or any recognizable variant of any of the foregoing, in whole or in part, as a part of its name, or to identify itself or himself, or to claim affiliation with the Fraternity, without express written permission of this Chapter, which permission may be limited to a stated period of time.

Section 4. Vetting

(A) Vetting of Prospects: (This is a possible Brother, take it very seriously, Follow the MO and the guidelines.)

Prospects apply at www.ProudBoysPhiladelphia.com, Run a criminal background check.

Violent/Non-Violent crimes such as theft, Rape, murder, multiple Assaults, Pedophilia, Etc. Are all but automatically denied. Felonies are frowned upon but not automatically denied. The prospect will have to be questioned about such instances. (Vetting Officers have discretion)

(2nd's and above that explicitly vouch for a prospect still go through the standard process but are bumped to the front of the queue.)

Perform a deep vet of their Social media and other internet activity.

Once these steps have been done, you may conduct an interview via video or phone call if you feel it's necessary.

If the recruiting officer is satisfied, he will then communicate with the Recruiting Committee to place the prospect in the Welcome Chat. Leadership is encouraged but not mandated to place the prospect in the Casting Couch Chat, if they so wish to further ensure proper vetting has been done; that is his right to do so. Always assume the Welcome Chat is compromised, post nothing that could cause a brother to potentially be doxed, and post your own personal information at your own risk. Explain to prospects the same courtesy upon putting them in the Welcome Chat, also inform them that they may encounter "Spicy" memes and language in the chats but don't take offense for they are in jest or people trolling. All new prospects must be warned of locking their social media profiles down and explained what "doxing" is and how dangerous it can be on someone's family if not taken seriously.

Section 5. Acquiring Membership in The Proud Boys Philadelphia Chapter.

(All prospects will have a 30-day window to attend an officer sanctioned meet up.)

(A) Prospects must be interviewed in person and by two or more brothers (One being an officer) the prospect MUST show an officer their Driver's license or State ID. The Interview should be done at a neutral location. (The Clubhouses and other private locations are off limits to the Non-Degreed.) Some of these rules may be waived if the prospect is already well known and vouched for by a current 2nd Degree or higher.

(B) Once a prospect has been initially vetted and questioned during the casting couch phase, the Recruiting Committee will vote to allow them to proceed to the 1st Degree. The 1st Degree will be added to the Welcome Chat and must then attend two meet ups over the next two months to qualify for their 2nd Degree. A vote will be conducted by the Chapter as a whole after the end of the second meet and voted on starting Sunday in the main chat

and must receive a 51% majority, this is a time to bring up grievances or suspicions about the new member. If one member disagrees, we will debate the disagreement. If we cannot reach a decision, the first degree will have to be voted on again after their next meet up. Once the prospect has attained their 2nd Degree initiation, they will have the honor of full membership and will henceforth be considered a brother (Only Brothers in PBP are permitted to wear a Fred Perry.)

Any prospect can be removed from PBP by Leadership at any time and without notice.

(C) Attaining a third degree:

Third Degrees can only be earned during Meet Ups. A brother must walk the “gauntlet” The gauntlet must be walked through by the brother that desires his 3rd degree. His brothers will line up in two single file parallel lines and the brother seeking his 3rd degree will walk through while his brothers conduct the “initiation” Once he completes the gauntlet, he now may get his 3rd degree whenever he desires.

(D) Attaining a 4th degree

In order to earn a 4th degree, the highest degree attainable, one must have endured a major conflict related to the cause. This can include defending oneself or another brother and/or their family in a particular event or situation. Another way is being extraordinarily assaulted in the process of coming to the aid of another brother or their family, or doing something above and beyond for the club that the club and club members agree should be anointed the 4th degree (this is not common). If you have not attained a 2nd or 3rd degree yet, you will remain in a suspended 4th degree status until you have attained your perspective degrees; only then can you consider yourself a 4th degree.

(D:1) Further, all 4th degrees must be witnessed or documented in some way. One must be vouched for by another brother as witness, or provide video evidence, or be referenced in the media. After presenting the evidence for a potential 4th degree, this evidence will be presented to the chapter for review and a vote will be held. The final step for a member to achieve the status of 4th degree is to acquire 2/3rds of the whole chapters vote, if successful, afterwards the brother will be anointed a 4th degree of the Proud Boys. If one is found to have lied about a 4th degree, they will be subjected to Sharia; punishment will be decided by leadership and voted on by the club after articles of Sharia are presented.

(E) Brothers transferring from another chapter require a Presidential vouch in order to be accepted into PBP. The new brother must receive a 2nd degree Initiation within 30 days (providing a meet up is held) or at the next Meet Up. (60 days Maximum)

Once initiation is complete, the brother becomes an official Member in PBP and will start paying dues as written in **Article 1 Section 6 (A)**

(F) Brothers that quit or go on a leave of absence that later quit or don't return as outlined below, are forbidden from rejoining the Philadelphia Chapter without a 51% majority vote of all members.

There are two types of Leave of absence. A LOA is for a period of up to six months, an Extend LOA is (Six to Twelve months). Brothers may take a leave of absence for a period of up to a year. After one year, you are no longer a member of PBP. During this LOA all dues that have been paid in advance are logged by the treasurer and the start day of your LOA are logged as well. These dues will be counted towards the months that are paid as normal. If your LOA exceeds 6 months, (\$120) dues payments will be suspended and will be logged by the treasurer. You are no longer required to pay dues after six months. A brother may elect to pay dues as normal after exceeding six months of their LOA if they so choose.

Example: Brother John Doe takes a LOA starting on 7/19. (John Doe - next due payment is for 2/20) he returns on 12/19. His next due payment remains 2/20.

Example 2: Brother John Smith Takes a LOA on 7/19 (Jack Smith - next due payment is for 8/19) he returns on 12/19. He will owe for five months of dues.

Any brother on Extended LOA are required to pay a reinstatement fee of \$60 if your dues don't cover it. When a brother is ready to return, please contact the President, Vice President or your Committee lead to notify them of your return date. If a brother is an official and takes a LOA, they forfeit their office position(s).

Section 6. Chapter Dues and Member Meet Up Requirements.

(A) Basic duties/Obligations expected for membership in PBP.

These are the basic duties for maintaining membership in PBP. Once you obtain your 2nd Degree in the Philadelphia chapter, you are now our brother, you must maintain a meet up attendance quota and keep up with dues. You must attend at least one meet up every ninety days, that is the bare

minimum, we're about brotherhood FFS. We also have dues in the Philadelphia chapter of \$20 a month for every brother of the second degree or higher. (\$20 per month or \$200 lump sum for 12 months) (By paying a lump sum, you save two months of dues).

Paying dues is also a requirement.

Dues are to be paid by the FIRST day of every month or on the first day of the 13th month for Brothers that Paid a lump sum. (Year of Dues) The Day you receive your 2nd Degree determines the month that you will start paying dues. For instance, if you were to receive your 2nd Degree Between the 1st and the 15th, of May Your first due payment would be for May, if you received your second-degree between the 16th and 31st of May your first due payment would be for June.

(B) Dues spending is voted on before being implemented by all due paying Brothers that submit their vote within the voting period. If you don't submit your vote within the allotted timeframe, you forfeit your vote on that issue. Any Brother may propose an expenditure from the treasury for consideration to a Brother of leadership, which will then pass it on to the council. (All proposals will be given serious consideration.) A simple majority will pass the proposal for forwarding to a full chapter vote.

(C) Brothers hardship clause. If a Brother is unable to pay his dues. (For any Legitimate reason)
I.e. Lay-off, lack of income or other circumstance, Due month will be logged and the member will ceases paying dues until he is financially able to become current with his dues again.

(D) Brothers behind on dues. If a Brother falls behind on his dues for a six-month period or more, you will lose your right to vote on due related proposals and you will be demoted to the Welcome Chat for up to Six Months. (You will retain your degree status). You will need to pay your dues in full during that time. If a second six-month period elapse, you will be Excommunicated from PBP. (If you end up in the Welcome Chat, when/if you become current on your dues. You will return to full membership privileges. However, you must receive your 2nd. Degree again.)

unspent funds shall be returned to the treasury. The funds will be given to the President as soon as they want, prior to the Quarterly.

Upon meeting the destination brothers during his trip, it is expected from the Ambassador to show the utmost respect for the brothers they are meeting, abide by their chapter rules, receive a 2nd from them (if possible) and not show their ass by making PBP look bad. Further, you are being hosted by a group of brothers who don't have to meet you at all, so show some respect and acknowledge that by showing up with a bottle of liquor or buy a round of shots. If you can't meet these guidelines, it might

not be best to be the Ambassador for your trip, so keep that in mind when you make this request and wish to take on this role.

Section 13. Sharia court.

(d) Methods of Discipline.

i. Reprimand. This is a formal warning under which a brother is notified that he has violated the bylaws or other rules, and that further violations will result in additional discipline.

A brother that is suspended is no longer considered to be in good standing with the Fraternity and may not transfer his membership to another chapter.

v. Expulsion. This is the ultimate sanction for a member and results in permanent separation from the Fraternity. Upon imposing this sanction, the

chapter shall notify the Elders Chapter of the name of the brother who has been expelled and shall provide the Elders Chapter with a concise list of reasons for the expulsion. The chapter shall cooperate with any investigation of the Elders Chapter relating to expulsion.

Section 14. Voluntary Inactive Status

It is the policy of the Philadelphia Chapter to accommodate members to the greatest extent possible. The Fraternity understands that it is possible that a brother could be placed in a position where his membership in the Fraternity could cause legal harm to the member or could be inconsistent with his legal obligations. For this reason, any member of the Fraternity who is a brother may request that his chapter place him on voluntary inactive status. A member seeking to return from voluntary inactive status must simply notify his chapter, or the president of PBP and pay any then due financial assessments of the chapter.

identarian world views. In keeping with our values, Proud Boys Philadelphia Chapter has no
